HEMANSHI VAGHANI

MICROBIOLOGIST (GOLD MEDALIST)

ABOUT ME

Resourceful and self-motivated microbiologist with expertise in quality control, research, and development. I handle instruments such as microscopes, autoclaves, weight balances, centrifuges, incubators, pH meters, magnetic stirrers, water baths, micropipettes, gel agar electrophoresis, and laminar air flow, among others.

I possess excellent analytical and problem-solving skills to deliver innovative and profitable solutions within a given time frame. I have internship experience in the frozen food industry, Moga, and have received an SSIP grant for my innovation. One of my strengths is my tenacity in solving problems.
